Take 5 minutes out of your day to register as an organ, eye, and tissue donor.

(You can choose to insert your own personal connection/passion toward donation here instead). Former Bishop Blanchet High School student, Annie Fuglevand, was born with a rare genetic disease. At the age of 18, her liver was failing, she only had one month to live. She received a life-saving liver transplant and is now pursuing a career in nursing thanks to her donor.

- There are more than 100,000 people in the United States waiting for a life-saving organ transplant.
- Every day, 18 people die waiting.
- You alone could save or enhance the lives of over 50 people!

You don't have to wait until you get your driver's license to register. Take 5 minutes today to register your donation wishes at www.DonateLifeToday.com. Please forward this e-mail to your friends and family – talk to them about your decision. Take action Today!
